“ *Sorry for such a great loss. How lucky you all were for having such a wonderful person as your Mother, Grandmother, Sister, Aunt. She was my fourth grade teacher at Winslow Elementary back in 1978. She was my favorite teacher. I would run into here around Jasper, even in the last few years & she always remembered me. What a sharp mind! God bless you all. May you find peace, joy & comfort in her memories.*

“ Carl so sorry for your families loss. Mothers are the compass in our life, to guide us through the storms. The greatest compliment to someone who has passed, is to live your life and keep their memory alive. God Bless.
