“ *So sorry for this late response - just found out. Our condolences and prayers go out to the family and friends. Madeline was one of the dearest people in my life and treated me with kindness, respect, and love. Both Madeline and Virgil were like a 2nd set of parents to me and provided me with direction and guidance during times when my life could have taken a very different turn for which I am forever grateful. Madeline even permitted me to call her "mom"! It is never easy to loose our loved ones. My peace and comfort come from both Madeline and Virgil's love for the Bible and our savior Jesus the Christ. Madeline's "graduation", while both bitter and sweet, should bring joy to our hearts to those who believe and a witness to those who don't. My relationship with their son Joe has lasted for many years. My heart goes out to the Diane and Larry Oates as well as all those who had the privilege to know both Madeline and Virgil.*

“ So sorry to hear this. I'm sure that Virg. was waiting for his love to come home to him. I only knew them from Brookside but they left a very BIG impression in my life. I had many talk's with both Madeline and Virgil. they loved life and their family. I had visited Madeline a few time's at home but lost track of her. But I will always remember her loving smile and kind words of encouragement. Till we meet again my friend Rest in peace.
