“ *Mallon was just great.
I worked with her in LA in the 80s, and of course fell in love with her,
and have missed her ever since I left town in 1991. I think of her
every time I go down the 5, past Chavez Ravine.*

*I think of her more often than that. She was always one to speak
out, and I ... I just miss her. Everybody does, even if they don't
know it.*

“ *To Ryan.
I'm so sorry to hear of Mallon's passing. She was my sorority sister,
girlfriend and roommate at Bradley. She had a knack for making us
all laugh and had a heart of gold. I recall coming home with her over
fall break one year to Jasper. Many years ago, we tried to reconnect
and get her to a reunion we were having and that was the first I
heard of her illness. Peace to you, Ryan. I know you were her pride
and joy.*

“ So many fond memories of Mallon in these last 7 years! Although we were neighbors years ago, I didn't get to know her until she became my yoga client. She became my dear friend as we were together doing yoga, walking, talking and going on many outings! I came to love her and appreciate every moment we spent together. She let me pray with her, read and sing to her this past year. It is an honor to call Mallon my friend. My thoughts and prayers go out to her son, Ryan and the rest of her family and many friends! Mallon was so loved! I will miss her kindness and beauty! I enjoyed our perfect last day together with our songs of her going Home. I know she is there now in her mansion in heaven at perfect Peace and complete Rest!

Your final months were a mix of grace, bravery, and the
determination to live another day.
