“ So many wonderful times when we worked together at H.I. Sally we shared many a lunch and of course had many laughs at the expense of guest and (sorry) fellow employees. She loved Linus and we both often commented on how lucky we were to have the husbands we had. Will miss her very much, especially our lunches at the Great Wall.

“ To Aunt Sally's Family, Brian and I want to extend our sympathy to all of you on the loss of your Mother, Mother-in-law, Grandmother and Great-Grandmother. Aunt Sally was a very special lady. She loved life to the fullest. Her smile could light up a room. She was kind and loving to everyone. The world has suffered a great loss, while Heaven has gained a special Angel. I love Aunt Sally and may you rest in peace.

“ I remember Sally was such a small petite woman. When I moved back in with my mom, my dog Sadie at the time jumped up on her and knocked her down and I thought I broke the neighbor. I just scooped her up and stood her up before she knew what happened. She was a Great neighbor and will be missed. RIP Sally. Tell my momma I said hi
