“ *So glad I got to visit with you a few times the past months. The look on your face when I surprised you on your birthday was priceless!!! We had SO much fun in our younger days. I am so glad you and Mike got together. He made you so happy, the happiest I had seen you since we were wild and crazy kids. You were the sweetest, but boy if somebody ticked you off, look out! I will always have fond, fun memories of you. I will miss you, my dear Friend.*
