“ *My mom, Sue Lythgoe and Marge were friends for many years. They knew each other from Memorial Hospital and from Daughters of Isabella. Marge was a very dear and special friend. I can't help but feel they are together now in Heaven. With God's Peace and Love,

“ *She was always my favorite "nurse". She always had a smile and a kind word for you when I was a kid. Which is important when you are working with people. Today as a RN I know how important smiles and kind words can be. I remember her well, but did not know she was also a Stenftenagel until now. Will keep your family in my prayers.*
