“ I loved working with Marge and Bob at the Community Meals. They were both genuine people who cared deeply for others. I learned so much from both of them.

*Eternal rest grant to her, O Lord; and let perpetual light shine upon her. May her soul, and the souls of all the faithful departed, through the mercy of God, rest in peace.*

*I know you knew Mom for many years at the hospital. That place has been such an integral part of our family since the 1950s. I could never even count all the hours I've spent in the department and all the employees who were like family since I was born. From Sr. Peter Marie, Sr. Nancy and Sr. William at the beginning to Sr. Adrian in more recent years. Thank you for your kind words and condolences. - Jennifer*

*I know she missed the reunion just before she passed away, but there was just a miscommunication. I know she always liked going to them. When going through photographs the past few weeks, I ran across a group photo from one reunion in the 1980s. Then there's also an album of photographs and mementos from the class trip to Washington, DC (I think that's where it was) and from graduation, and also many classmates' school pictures. I've always enjoyed looking through those and her high school yearbooks over the years. We still have her class ring and black Jasper jacket from high school. And I don't know how many times I've heard about Sakel's! Thank you for your kind words and condolences. Know that the time she spent with you all those many years ago were lovely memories for her. Thank you for your kind words and condolences. - Jennifer*

*Marge was such a thoughtful and kind lady. I knew Bob and Marge as parishioners at St. Joseph Church. Wonderful couple! When I'd volunteer at the community meals after my husband passed, Marge was always so supportive. My last memory of her will be sitting down with her and eating a bowl of the delicious chili she had made for the meal that Saturday.*

*Lynne, I'm glad she was able to provide some comfort to you after the loss of your husband. I know she had a few recipes that went over well at the Community Meal - the chili being one of them. I was very fortunate to have grown up with her wonderful cooking all my life. Those were the days when we still all sat together at the kitchen table every night and had a meal homemade by Mom. I'm so grateful to have had that. Thank you for your kind words and condolences. - Jennifer*
