“ I’m saddened by this news. Margie and I worked together since she moved to Louisville. We were team members on several IT projects together. We’d laugh, joke, discuss IT issues - you name it, we could talk about it. Margie loved her family and always had a smile and kind words. Post my retirement, we stayed in touch. She wore her role as oldest child seriously and her siblings/nieces/nephews will miss her greatly. Family miss her as you will but embrace the fond memories as they will carry you through this difficult time. Prayers for you all.

“ I worked with Margie for a number of years. Margie was very dedicated to her work, her friends, her family and her church. Her smile was contagious and she was such a light in this dark world. She will be greatly missed by so many. Prayers to her family of whom she spoke of often.

“ I enjoyed my years working with Margie, she was very knowledgeable and always a hard worker. She enjoyed her family and talked about her brothers and sisters all the time. She had a knack for remembering everyones name and could tell endless stories about the occasion surrounding meeting that person or acquaintance. Margie was always working on her next craft project, very talented in her crocheting abilities. Margie had a kind heart and will be deeply missed.

“ Margie was such a great neighbor and will be missed dearly. It was always nice to meet up at the mailbox and talk geek as we both worked in IT. We know she's in a better place and free of pain and hope she looks down upon us all with her witty smile and comfort. Our thoughts to the family as the go through this difficult time.
