“ I worked for Maggie for a few years in the deli. She was so kind and funny. She saved my life when I was dying of kidney disease. I was so sick that she made me go to the ER and get checked out. If she hadn't made me go I wouldn't be here today. I'll miss you Maggie. You were so wonderful and caring.

“ *Prayers for the family. May Gods blessings be with you all. Maggie was a great lady. Worked with her for many years. Little spitfire would be appropriate for this lady. We had many laughs and many tears together. God bless her soul. she fought a long time. It was always good to visit with her when she came into the store. Rest easy sister no more pain no more suffering. Fly high and watch over us.*
