“ *I was surprised to hear of Margie's passing. I only knew her for a little while, but liked what I saw--a very soft spoken, kind lady. My mom, Mary Kuczynski, sends her condolences also.*

“ *Marie & Dan. Marge & I send our condolences to you both and your extended families. As you well know your mother and my mother were very good friends and neighbors. Mom spoke often of their friendship and the times they shared sitting at the picnic table by the drive on Jackson Street. No doubt cats were discussed at times. We also always enjoyed visiting with your mother on our trips back to Jasper from Virginia. Your mother was a very kind and nice lady. I'm sorry we cannot attend the services at CCJ this Saturday. Again, we send our deepest condolences to your families at this difficult time. Take care and may God bless your families.*
