“ My Dear Aunt Annie, and family I am so sorry to hear the news about Mari. Although we were not blood related she was still considered my cousin, I spent more time with her when we were younger I believe, but had the pleasure of seeing her at a couple of family functions. She was such a beautiful and happy person. I know it is so hard to understand why God would take her away from us at such an early age, just remember he has plans for her. With all my Love & Prayers.
