“ *Marian was a lovely lady. She always had a kind word to say and a big smile for everyone. We worked together for many years in the Insurance Industry and the office was just brighter because of her. I will miss the way she always called me Sweetie and her loving way she always made me feel special. She will be missed. God speed Marian.* ”

“ *Food was Marian's love language. Whether she made the meal or we went out to eat. Benny's on the Lake was one of my favorite places to go with her. And the Amish restaurant in Montgomery. I loved her roast beef dinner that she made every time I went to San Diego with Bonnie. She will be missed by so many people because she loved spreading God's word.* ”
