“ *Marian, I would like to say thank you for always making me zucchini muffins to take on my long drive home. I am so happy to have had the chance to see you and laugh with you one last time this summer. You were one terrific quilter. Grandma Goller must have been so proud of all your hard work. Thank you for your 2 terrific children whom I love very much. You have such wonderful grandchildren also that I know you adored. I want you to know that I am so happy to have had you in my family.
