“ *Heidy taught me most of what I know about floral design. I worked with her for 3-4 years at Jasper Floral. I was so sorry to hear of her passing. I was in the business for 15 years and still do some freelance work. I will think of her every time I pick up my design knife. My sympathies to you, Bob, and to the family.*

“ *Bob, we've living out of Dubois County for over 25 years and most certainly been out of touch with so many people who have touched our lives.  
Just last Saturday night we were in Ferdinand and as we passed Heidi's old floral shop, I thought about Heidi asking my wife about her. She too didn't know as we haven't seen her in over 30 years!  
Our condolences! Your all in our thoughts and prayers!

“ I know how much so many people loved this lady. My heart is broken, and I've shared this news with all my children, and they all are really sad. People come into ur lives for a reason, a season or a lifetime, and Heidi was a lifetime person to so many. So many people have a richer life because of Heidi Vonderheide Albertson. I loved her dearly and with all my heart. Love to you, Bob, and to all who knews and loved Heidi. Walter

“ *Heidy was the reason I moved to Florida. In 1973 I wrote to floral schools and found out someone from Jasper was in Lake Worth. Who would have thunk it?  
I attended class at the South Florida School of Floral Design, fell in love with Florida and moved back in 1974.  
Heidy was a big part of my life in the floral business here. She was always encouraging, sweet and kind. I will truly miss her. John Klingel, Lake Worth, Florida*
