“ *Leroy and Dorothy - My sincerest condolences and prayers go out to you, as well as to Glen, the children and the rest of the family. I was sad to hear about Marilyn's passing and am so sorry for your loss. What always stood out about Marilyn was the smile she wore on her face. She will surely brighten heaven with that smile! You are all in my prayers. God Bless.*

“ *I grew up visiting my Aunt Mary Lou and Uncle Donnie, who lived across the street from the Wernes. Mrs. Werne was always so nice to us girls - my sister, Kim, and I were about the same age as Denise & Jennifer - whenever we were visiting. Kim and I really appreciated having such a nice family to visit with whenever we were in Jasper. I'll never forget Marilyn's kindness!! My condolences to everyone.*

“ I was sad to hear of Marilyn's passing, and I was sorry to miss the services - we didn't hear about them until too late. Marilyn, although my cousin, was also my Godmother - she always had such a beautiful smile, cheerful laugh and kind words...whether in person or via a lovely card, Marilyn could brighten my day. As a child I always looked forward to the holidays and reunions when I would see her and all my cousins again...she always gave me such thoughtful and wonderful gifts! Marilyn was a truly warm, caring, loving woman. She will be missed, but I know she is dancing in heaven. Heartfelt sympathies to Glen and the girls. Blessings and prayers to the entire family. “ I attended Holy Family school and grew up in the neighborhood, a block from Marilyn and her family. Marilyn was a fixture in the neighborhood and school. She truly was a beautiful woman, inside and out. Always smiling, always generous with kind words and encouragement - Marilyn always made me feel special. No matter how much time had passed, she always remembered who I was and always greeted me warmly. Marilyn's passing is a true loss, but if ever anyone is to have an amazing afterlife - it will be Marilyn.
