“ *I am shocked and saddened to hear of Mark's passing. We were housemates in 1981, and later visited each other's parents. I will always warmly remember the hospitality showed to me by Jim, Bettye, Mark, and the rest of the family in Jasper.*

“ *Berg and I got to know each other at Ball State. We had some good times. He got my Spring Break tequila drunk ass out of Mexico with the Federal Police hot on our trail and still managed to hold onto Mt 59 can't flower pot I bought for my girl fiend at the time. He was always there for a friend in need. Party on Berg*

“ *I am totally heartbroken. I didn't know Mark had passed since we lost touch with each other a few years back. He was and will always be my beloved brother.*

“ So sorry to hear about Mark's passing. Years ago I ran into him in Jasper and had a very nice conversation and reminisced about high school. He was a nice man and will be missed. My thoughts and prayers go out to the family.

“ RIP, Mark. So many memories from back in the seventies. You had a great sense of humor & a way of telling a story that would have people laughing uncontrollably. I moved away after college & will always regret having not stayed in touch. I actually "Googled" you recently & realized you still lived in Jasper. Godspeed, "Bergy".
