“ *My sincere condolences to Mark's family. I had the pleasure of working with Mark at Jasper Rubber Products in the shipping department when I was just 16 years old. It was my first job while still in school. I remember his easygoing manner and his great sense of humor. He was always a bit of a practical joker and we had alot of fun working together. I regret not having stayed in touch with him...he was a really nice guy. Godspeed, Mark.*

“ We offer our sincere condolences to Mike and the Precthel family for the sudden loss of a family patriarch. I did not have the good fortune to know Mark, but having worked with his son Mike at Flow the last few years, I can imagine what a good man Mark was. Our thoughts and prayers are with you, and may God assuage your pain and lay upon you the solace of his word, and the knowledge Mark has a seat near the Throne of God. Respectfully, Dennis and Pam Martin

“ My sincere condolences and my deepest apologies to the family. I was told about Marks condition too late evidently. I worked with him in maintenance at JET and he was great to work with. When I was the new kid on the block, he took me under his wing. I never will forget him for that. My prayer go out to the family and loved ones. God Bless.
