“ *Marlene was a dear lady! She was always such a happy lady! Always a smile and ready for an adventure! My family loved her as did my brother, Dan Arbuckle. He was her companion for 24 plus years, caring for her in her last few years before she was placed in the nursing home! They traveled all over the world together! She told me the last time I visited her in the nursing home how much she loved him! May Marlene be at peace! She is greatly missed!*

*Marlene became a part of the “ Arbuckle Clan “ from the 1st time Dan brought her home! Her smile and open arms of love and friendship wrapped around us! After that it was always Marlene and Dan!! Don't get me wrong, there were disagreements!! Her family became his family and vice versa! She enjoyed dancing, sitting on the porch, going for drives, playing cards and traveling the world with Dan!!! She Loved her children and their families and always missed her only Son!!! Her daughter, Carma and her were like best buds, shopping and going places together! Dan loved that for Marlene😊. Until dementia hit they had a great life together! He cared for her for 2 years and the it was time for the Nursing Home!! The care was not what he expected and he was unable to tolerate it! He will always cherish the many wonderful years of love and devotion to each other❤️ Karen ( always my sister-in-law )*
