“ I am so sad to hear of Marlene's passing. Prayers for Tony and the entire Merder family. I ran into Marlene a couple of months ago and had a nice talk with her. I hadn't realized what all she had been through the past couple of years. I will cherish that last talk we had as she was always one of the drivers' wives that I looked forward to seeing every pay day when she picked up Tony's check at Kimball/HRJ. Truck drivers' wives are a special breed and she was an icon for them.

“ *From the first day of being diagnosed, Marlene did nothing but think of her family. She was so concerned with not interrupting the holidays, or upsetting the grandchildren. I was so impressed and moved by her selflessness and by the care her family gave her these last months. Well done to all.*
