“ *When I was about to become a new administrator for a Good Samaritan facility, Hildegard Health Center in Ferdinand, I trained at Northwood to learn the Good Sam way of doing things. Marcia was so kind to me as I learned about medical records management. This work is complicated, and she did her work with such assurance. She has continued to be kind to me and my facility whenever we asked advice. In behalf of our staff, please accept our sympathy. Sister Kathy Bilskie*
