“ *You have our condolences from Louis and Joan Schwenk. Although I did not know her personally I know her family very well and they are in my prayers. My father's first wife was her dad's sister and we have a lot of respect for her.*

“ *Martha was indeed a special woman and friend she never knew a bad person and would hug everybody. She treated people the way she wanted to be treated even if she knew she would never get anything in return. I know she will be missed but will live on in are HEARTS FOREVER.*

“ *Martha was a special woman and I'm honored to have known her. Rarely a day went by in the last year and a half of her life that she didn't visit us girls in the therapy department, and always made sure we each had our daily hug (some days more than one), told us she loved us and that love was mutual, and let us know she prayed for us. She will be missed by all.*
