“ *Thank you Mrs. Stallwood for:*

- always welcoming me into your home since I was 4*
- not kicking me out of your Pre-K class for playing hide & seek in your basement*
- letting me track dirt throughout your house*
- always being interested in how and what I was doing.....sometimes maybe too much :)*
- showing me how you antiqued your kitchen cabinets green.*
- buying a charcoal refrigerator filter I made in junior achievement*
- the peanut and butter and jelly sandwiches*
- supporting little league*
- providing a home base for all of us who played at Moreland Park.*
- sort of pretending to believe my explanations about what George and I might have done*
- letting us turn up the volume upstairs to capture the essence of "Gimmie Shelter"*
- telling me I would miss the seasons when I moved west*
- raising three intelligent, successful and caring children and one husband*
- making a difference for many*

Indeed, you were appreciated and are remembered!

“ *I can recall the many days that Mrs. Stallwood opened her home to my brother Vince and myself after school at Saint Michaels, to change into our uniforms for practice or games depending on what sport was being played that season. I often wonder how many hinges had to be replaced on the breezeway door with the many kids that paraded through her house on any given day. Pick up basketball games were always going on and Mrs. Stallwood would make sure we had plenty to eat and drink. The thing I remember most was how Mrs. Stallwood would always take time to sit with me, interested in school, family and my latest girlfriend. My brother Vince and I have been lifelong friends with George, Jeff and Tracy and remain so over these 60 plus years. Mrs. Stallwood treated us all as if we were family and we all loved her warm smile which was always present. She will be deeply missed, but I take comfort knowing that she is with our Heavenly Father and watching over her family and friends.*

“ *Mrs. Stallwood was always very special to me and my brother David Long. David and I both enjoyed many years visiting at the Stallwood house after school at St. Michael grade school, after baseball games (she was always there cheering us on) and all through high school at Brebeuf. We will miss her very much.*
