“ *Dear Donna and family, I was so sorry to hear of Lloyd's passing. I know how much he was loved by you and the whole community. He had a great career as a teacher and principal and influenced many lives. I remember fondly our dinner at the Schnitzelbank and your graduation dinner, Donna. He was such a happy, jolly guy and so proud of his history and family. He was especially proud of you, Donna and your teaching career. I'm grateful that we all know this is not the end and that Lloyd has moved on to another life and another adventure with the dear Father in heaven still guiding him and holding his hand all the way.*

*Much love,
Sharon*
