“ I got acquainted with Mary Jane when our kids were in the band and we chaperoned a lot of band trips. She was a delightful lady and fun to be around. Several years ago her granddaughter Channing moved across the street from us and I got to connect again with her when she was visiting the Zieglers. My sympathy to Mary Jane's family especially the Zieglers. I know you will miss Grandma Mary Jane.

“ I have known Mary Jane for many years since her son Kevin married my niece. She spent some holiday gatherings with my family. We enjoyed trips to Branson together several years. She was a very outgoing energetic lady. She will be missed but she had a good life and got to see her kids and grandkids accomplish their goals in their lives

I knew Mary Jane when I would go with my Mother to visit my Aunt Rachel- Bobby's mother. Her family lived with my aunt for a while. I always thought she was so beautiful and still do. She had those four little ones and was always happy, funny, energetic, and had the best smile. She always made me feel welcome. I know she will be missed.
