“ *I enjoyed talking to her every Saturday morning while doing her hair. I missed her while she was in the nursing home and now knowing I can't see her makes me miss her more. So sorry I can't come in to the funeral home to pay my respects. Thinking of her the family all day.*

“ Mary was a dear friend of my departed parents Richard and Neoma Sander i will always cherish the memories of visits to her home with her husband Leonard. It always allowed me a different perspective "of my parents of having a life before children' and I appreciated the friendship between the four of them. A wonderful family please accept my condolences.

*May the road rise up to meet you.
May the wind be always at your back.
May the sun shine warm upon your face;
the rains fall soft upon your fields
and until we meet again,
may God hold you in the palm of His hand.*
