“ *Jeanne, Martha & Mike, I was saddened to hear about your mother's death. Both your parents were so nicely involved around the neighborhood, at high school events, and certainly in the community. This part of the cycle of life is certainly difficult! You are in my thoughts and prayers.*

“ I would like to send my heart felt condolences to Mary Jane's family. I worked for Mary and Stan when I was 16 - 19 years old - I took care of their yard, pool and motorhome. Stan wrote a letter for me for my college entrances. Mary Jane always brought out iced tea with her famous home grown mint - it was great! I have always appreciated how they treated me. They were both very nice to me, and Mary was always so gracious - To their family - I will always remember her, and you should be so thankful to have a great mom, grandma and great grandma - She was a jewel, I will always be thankful to have known Mary, Thank you for making a difference in my life, Al Ruckriegel

“ I'm sorry for your loss. I didn't have many occasions when I met with Mary Ann, but it was always during good times like Andrew's wedding and Mike's ordination when we did. I hope you all enjoy the peace that God offers.
