“ *I would like to have you to say a few words for me. I'm not sure who gets this please have my brother Rick Blaize son of Mary Kemp. If he is unable to read my note then someone from there please do so. this is what I want to say. To the best friend and Mom that was in my life. As much as I shall miss you and talking to you on the phone, I know that you are happy and waltzing with dad on those golden streets in Heaven. And once again do to health issues of my own and other heart wrenching events of the past few weeks I cannot be there. I apologize to the rest of the family for this. They say life goes on but for some of us the ongoing of our lives gets harder and harder especially in these times of our lost ones. Everyone there is often thought of and missed terribly. And I wish I could be home again. But in that thought we all will be home with dad and Mom someday, that's the only thing I have to look forward too. I love and miss you mom, and till that day comes when we all are together again I say goodbye today. You will always be in my heart and thoughts. Love Yonnie. Mr. & Mrs. Donald Struble*
