“ *Love Lives On
Those we love remain with us,
for Love itself lives on.
Cherished memories never fade;
because one loved is gone.*

*Those we love can never be
more than a thought apart,
for as long as there's a memory
they live on in our heart.
Think of her as living
in the hearts of those she touched,
for nothing loved is ever lost,
and she was loved so much.*

“ Mary was one of the best people I have ever had the pleasure of having in my life. From the age of about fourteen this woman has played a mother figure in my life. She always welcomed me into her home. Thanksgiving, Christmas, or just an average day she made me feel part of her family. It was an honor to be able to spend so much time with her throughout the years and to be able to help her the last few weeks. She will forever be in my heart along with Jay(her husband) aka another Dad of mine and her Beautiful children whom are my closest and dearest friends . Such a wonderful, loving family and it has been an honor to be part of that for so many years. Miss and love you Mary Recker❤️

“ My memory of Mary is how beautiful she was both inside and out. She LOVED Elvis and she always had a smile. She leaves behind her beautiful and loving family, I know they will miss her. She will be looking down from heaven with that beautiful smile. Rest in peace Mary.
