“ So sorry to hear about Matt. I remember when Matt started at Stens. He sat with some of the customer service reps to listen to calls and he sat with me one afternoon. I could tell then he would be an asset to Stens. He was very kind, helpful and always had a smile. He will be deeply missed by many. Prayers to his family and may your memories of Matt always be near to your heart.

“ When we hired Matt at JThomas about 4 years ago, I knew very quickly we added a great team member. Matt was dedicated, hardworking, fun, and one of the most helpful team mates around. He always had a smile and a warm welcome when anyone needed his help. He will be greatly missed. May God be a light to you in this time of sadness. And God bless you Matt!

“ Matt was my Godchild and just a really good guy. Had a wonderful sense of humor and a great work ethic. I'll never forget the time you scurried around my attic running wires for me, going to the Monster truck rally with Mitchell and your Dad and, the time you were really young (about 4) and slept over at my house for the night. It was a stormy night but your Gizmo and I kept you safe. Rest in peace buddy.

“ Matt, your sister and your brother in law loved you so very much. You were her best friend! Your parents loved you so much also, I know this through Natalie. I know you are in heaven where you are happy, carefree and an angel to many....look for my dear daughter Kelsey and my brother, Aaron and send them a hug from me. I know you are always present with your sister and your parents in the most heavenly way with the softest of touches.....

“ I am sad in Texas to hear the news of Matt going to be with God. He lived with an old friend of mine and worked in KS, I got to know him and was just thinking of him the other day. I laughed until I snorted and tears were rolling down my face in his presence. His dog was my dogs friend, too. Hopefully George gave him a good greeting up there. Praying for comfort and peace during this difficult time.
