“ I guess the memory that stands out most since you've been gone is when It was time for school pictures in 2nd grade. I idolized you and wanted my hair done just like yours. You got up very early and drove from Otwell to Oakland City just to do my hair.. It was feathered perfectly! Lol. Seriously, Thank you for everything you did for me over all the yrs. I love you and I will miss you. Until we meet again...
