“ My dad, Hilbert Fromme, is a resident @ St. Charles Health Campus and my mom volunteers there so, we'd see Mercedes quite often. Never would I have guessed she was 94! She was so spry and always in good spirits! We will miss seeing her at her usual table in the dining room once we are able to go there again. Our deepest sympathy to the family!

“ To all the Spellmeyer Family,

Please accept our deepest sympathy from all the Krempp's and all of us at Krempp Lumber. We all wish we could be there for you during this time but know you and Mercedes are in our prayers. Mercedes and Norb were such wonderful people. We have a lot of great memories of both of them. She had such a nice pleasant way about her that made our conversation with her so enjoyable. And of course we loved her cookies too!
