As an associate of Jasper Transmissions; I was stunned to learn of Mike's passing. I worked with Mike daily; I distribute transmission cores to the various pod groups. It was his practice to always greet people with "Happy Birthday", "Merry Christmas", etc. regardless of whether it actually was. Thinking of these moments still brings a smile! He was consistently friendly...even when associates weren't at their best. He will be missed!!!

I'm keeping you in my thoughts & prayers.
