Life is so ironic,
it takes sadness to know what
happiness is, noise to appreciate
silence and absence to value
presence.

You were one of a kind Mr. Mike! You are so loved and will be missed every day. It is hard to step into any JSI building and not think of Mike Elliott. So many memories of this great guy in almost every setting. Not only was Mike hilarious with his dry humor, but you could also see that he was always thinking ahead even while joking around. You could see it in his eyes when he talked to you that he was very present in that moment, but also looking to the future at the same time. He was a remarkable human being. Love you Mike.

My deepest sympathies to all in the Elliott family. This is devastating news. I can't wrap my head around Mike being gone. I always thought he would be here for a very long time. The world seems emptier without him. I will miss him dearly....even though since retirement....I hardly saw him. I can never forget everything he did for me and everyone. I am so grateful to have known him.
