“ Edwin and Evelyn, Bernie, Steve, and especially to Michael's children we are saddened to hear of Michael's passing and instantly a lot of memories filled my head. How I remember Apple Blossom and Clover Lane, Jasper Outdoor Rec, the Nova, the old van, the drive-in...just so much of my youth had Michael in it. I even fell off the back of his truck on a rock road one day trying to shoot a squirrel on the fly and tore my back up something terrible. Mom was mad for weeks, but not at Michael. She was mad I was trying to wing the old single shot Winchester on the back of a moving truck. We tore up Dubois county and a few surrounding areas and didn't mean harm to anyone. The memories! Let's rejoice in the good and fun and leave that picture in our mind. Everyone is in our prayers for peace in this time of sorrow. Denise and I offer our deepest sympathy and hope the fond memories flood out the sadness. God bless to you and His comfort be with you.
