“ *I just want to tell Ben, Matt, and Joan how sorry I was to hear of Mike's passing. He was such an interesting person. I know he had his share of problems, but I always liked him very much. He came to see me just a few months before his death. I knew he wasn't in good health, but I didn't expect this. I'm sorry I am so slow in sending this note, but I didn't hear about this until many weeks after it happened.*

*Sincerely,
