“ I’ve worked for Mike. I’ve hunted with Mike. And I enjoyed every second of it. He was a great man who always put a smile on my face in some of the most entertaining of ways. Even though I live in Oregon now, I don’t like the idea of him not being among us. The world and assuredly Jasper was a better place with him in it. I feel a deep sense of loss and the most of sympathies for Donna, Katie and Butchy. Bless the three of you and your families in this time. I’m so sorry I can’t be there Sunday and Monday. The times I spent with Mike in the “good ole” days will never be forgotten and nor will he.
