Have missed you; still have the guitar we used to share. I remember when you lived with us. Thinking of you and San Diego, Bobbi, Sue, and the many good times. You were happy once and I hope your spirit finds safe passage to a place with music. 2 in 1.

I first met Mike in 1976 and from that time forward, between rough times in my life and a couple of divorces, Mike always appeared in my life when I needed him, and he is one of the 2 great loves of my life, may he rest in peace and I'll truly miss him.
