“ *Mrs. Klem was such a beautiful lady and reminded me alot of my mom as she loved her flowers and gardening. Many years after my mother was no longer around to give me gardening advice I would ask Mildred when I went to Country Plaza.....I was always amazed at what a hard worker she was and how knowledgeable she was about plants...I was quite pleased when I found out that my future daughter in law was Mildred's granddaughter! While you all as a family may not have been prepared to lose yet, it is our prayer that God blesses you with many fond memories to share. Love and prayers to you Meaghan.*
