“ *I only got to meet mona at bridal and baby showers of Sarah Krohn my daughter in law. But I heard a lot of good things about. I feel like I know her better than jjust meeting her at the showers. She had such a funny and happy personality. I know how Sarah and her mom Kim talked about Mona so I feel like I know well. I know she loved her horses. I know how much she loved her sister. I know how much she loved Sarah and Colton and Kennedy. I will never forget the big stuffed giraffe that she bought for Kennedy' shower. I know how great her husband took care of her every need till the end I think prayers go out to her family and for her husband 🙏🙏🙏🙏🙏*

“ *I worked with Mona years ago at Walmart when I was in high school. She was a great deal of fun to work with. Full of spunk. I recently had the opportunity to meet her husband. He is perfect for her. You could just see the love
Steve, I am so very sorry for your loss. She is with God now and is having the best time of her life. No pain and enjoying the horses he had set aside for her. Have piece in knowing that someday you will be riding right beside her again. She fought a hard fight. What a trooper. Love you Mona. Prayers will go out for you Mr Brewer.*

There are no words to say everything that is in my memories and in my heart regarding Mona. She was "one of a kind"! She was always positive, always made me laugh and had a heart of gold. There is another angel in heaven today.
