“ She was one of my Mom's best friends, when I was a kid. She and Zeke stood up for my Mom (Lora Mae Mosley) and Dad (Red Coble) when they got married in 1954. The first cat I ever had, I got from her. We had to sneak him out of their house, because her youngest daughter at the time thought he belonged to her. My belly got so scratched up, because I had hidden him my shirt, and he did NOT want to be there! She teased me about that for years. I will never forget her easy laughter, or her bear hugs.
