“ *Myrna was our 2nd mom growing up. Really, Danielle, Kenwyn and I were as closed as sisters and we were in and out of the Kunkel home as much as our own. She even grounded us too when Danielle had a party when she was out of town :) we would accompany her to tennis tournaments, went to the World Series with her and Danielle, and would watch tons of movies. We loved her so much! And we love you, Kunkel family!*
