“ Nancy was always very nice and friendly to me as a child when we visited Schnellville. I am so sorry for her loss. Jack Conter

“ I am so sadden by Nancy’s passing. I can hear her laugh yet. I remember walking on the ice in Knebel’s lake and falling and biting thru my lip. Instead of going home, Mike and I went to see Nancy. We knew she’d fix it and we wouldn’t have to tell mom and dad how it happened. Sadly that was not the case. I needed stitches. Nancy walked us down to our house and told mom and dad what happened. Three stitches later all was fine. She was a special lady!

“ Nancy is remembered fondly. She was one of the most energetic women I've known and worked around at Kimball Electronics. She was not afraid to address tough topics at work and cared about those around her. (and was always up for good fun with the group of KEJ women supervisors)
Nancy loved her family so I send thoughts and prayers to her family on her passing. Rest in peace Nancy.
