“ My condolences to you all. I certainly had fun with Nancy when we would come together for family events at the Householder home. We shared beautiful grandchildren. Our last event was a baby shower for our first great grandchild in common, Cason, and what a time we had! With Cathy as our coordinator, we shopped, created, laughed, and had a great party for the soon to be parents and their incoming little one. I will always have those memories of this fine lady. My heart is with you, John and Cathy, and with those grandchildren who knew her so well.
