“ *My heart goes out to all of my Aunt Nora's family. God be with you all and comfort you at this time of great loss. So very many of us will miss Aunt Nora. She was a blessing to our lives.*

Sharon Wright - October 29, 2019 at 05:30 AM

Thank you Sharon! Mom was a great loss! Us kids and grandkids depended on her a lot. A lot of us had called her every morning and evening. She gave the best advice, helped us work out problems, or just talked and made us feel better. We definitely will be lost without her. Thank you for the prayers

“ *Aunt Nori will be missed by so many people 💔 She was the youngest of 5 children (she was the last one living) and had 5 children of her own all grown adults. I'm truly sorry for all the family and God Bless you and love you ❤️🙏*

“ My dear Aunt Nora was such a wonderful person. Never was she without that infectious smile of hers. She cared so much for her family and friends, and they in turn knew what a kind soul she was. I want to offer my very sincere condolences to her immediate family. She will always look over you with much love.

“ I am stunned. Nora and I loved to message one another on Facebook. This was a gift as I live in Dallas. As a child I visited all of the family that lived in the area with my Grandparents (Chanley) and my parents (McCallister). Nora was truly a wonderful woman that loved family. I love her and will miss our chats. I will keep all of my family in prayer during this time of loss for us all.

Thank you David. I'm the historian in the family, I will have to friend request you and continue in moms place! Mom did love her family and talked of you often! It's truly nice to have that connection and mom was a kind of person to keep that going. Thank you for the prayers!

“ *Each year on a summer Friday I took off work at noon and picked up my 2 aunts (Ginny and Nori) and mom and headed to Ellis Horse Racing Park. Nori would drive to Ginny's house to be picked up and ALWAYS had me a chicken sandwich and sprite for the ride to Henderson. We smiled on the hour long drive deciding who had the best hard candy and telling tales of each other. If asked I would always say it was a woot. I would drop them off at the gate go park and meet up with them before heading into the air conditioning section of track where we would find a table to spread out next to a TV screen to watch the horses run. Everyone threw in \$20 bucks and we would wager on Trifecta betting on usually the horses name, color or odds. We would take our winnings (yes...surprising there were winnings) to find a place to eat on our way back home. It never really mattered if we saw a horse or not it was more about being together and being a part of the 8 year tradition. Couple of years ago mom passed and then Ginny. Last year just Nori and I went but this time we sat where we could actually see the track and horses. We had plans to go again this year but it was not to be. Sweet memory for me!*

No one could compare to my mom. She was my life and support from day one. Without her it is truly empty. My best friend who never gave up on me and never failed me has left me by myself. I'm glad she suffers no more. I will miss you greatly. Love You Much until we meet again💕💕 Elaine

Thank you Gwen and Randy Schneider. And the same to you neighbors! I hope she is definitely watching over all of our places. I am sure that she has a lot of catching up to do with everyone at first. She had such love in her heart for our little town, Cuyana and all the people in it. Thank you
