“ *I was lucky enough to become friends with "Norb" many years ago when he ran the parts route for Hasenour Motor Co. and he stopped at our Gulf Gas station in West Baden. More than anything we would all just sit around, shot the bull, and just visit. The friendship carried on through the Derby days and after that I kind of lost track of him. I always heard he was driving a gravel truck for a spell down south in Louisiana or Florida or somewhere down that way for a time. He was always with a laugh and a smile, good conversation, and a cold beer when we would run into each other. There will certainly be so many people that will miss him now that he is gone.*
