“ *I am so sorry to hear about your mother's passing. I used to babysit you boys when you were small, and you were a fun group. I have always admired your mother, as she was "the real thing". Always nice and genuine. I now live close to your old house, and think of all of you. Prayers Debra Braunecker Wickman.*

“ *My prayers are with you all as you go thru this sorrowful time. I have thought about Pat so many times over the years. I wish I could make it to the funeral, but I can't. I remember how you boys used to tease her, but all the time there was love in your hearts. Love and prayers, Debbie (Kluemper) Elliott*
