“ *A (mom), what to say about a woman, wife, mother, and grandma as it seems she filled 84 years being all of these. Mom truly understood the meaning of staying strong long before it became a bracelet to wear on her wrist. It was in her heart. 52 years of marriage, 10 children, day to day work, cooking, cleaning, worries, and rosaries making sure all her children would become hard working, successful, helpful, loving, and caring adults for their families was only one of many struggles she had in her life. Even though at times we didn't agree and see it all so clear, Mom you did us right and did your best. Now it's time for you to Rest In Peace because the gates to John Deere heaven are open and dad is there to let you in. - Your children*
