“ *Marita, I can't imagine the sorrow of loosing both your parents in such a short time. I remember you telling me that as a little girl you rode with your dad into the small town of French Lick as he went on his house calls. Your mom gave you a world of art and together they created a beautiful person. My deepest sympathies to you, your brothers, sisters and extended family. May the peace which comes from the memories of love shared, comfort you now and in the days ahead.*

“ Dear Gootee Family Members, I was so sad to learn that Pat has joined Dr Frances, but glad to know they are together again. Pat was a force of nature... Big laughs, broad strokes and bourbon balls! I have many fond memories. I hope you find comfort in each other and share many laughs as I know both of your folks would appreciate. Celebrate their lives... They brought so much to the planet while they were here! Much love,

“ Dear Jim and Pat and family members, I am so sorry for your recent losses. I was wondering about your mother when I read about your father's death, and was concerned that she would be so lost without him. They were two of a kind, joined at the hip, most of their lives. Please accept my sympathies for your loss. It must be very difficult to lose two parents within a month's time period.

“ Dear Mary Pat, I was so saddened to hear of your father's passing and reflected upon the communities indebtedness to his service of their healthcare for so many years. At that time, I wondered how your mother was doing, and how much she would miss your father. You have my deepest sympathies on losing both of your parents within such a short time period. As they were joined so closely together during life, so were they in death.
