“ *Patty, was was my neighbor and friend. I got a new puppy and Patty just loved the dogs so I took my new fur baby to show her and she was so happy and said thank you. Patty always liked to have company so she could show off her wonderful crafts. Patty you have your Angel wings fly high dance with the Angels. We will meet again in Heaven.*

“ *Patricia was a fantastic lady. I love taking care of her when I did my visits. I will cherish the crafts that she gave me. She made my day when she asked me to change her light bulb even.*
