*I want to express my deepest sympathy to all the family of Pat Matheis for the loss of Pat I am texting what I sent to the funeral home but didn't get through. Pat I am your 1st cousin, however I lost contact with you many years ago however a few months ago you you came to Brookside Village because of health reasons and I was living here also. We then got together and shared many old memories. We got to visit every day and became very good friends. I got to meet most of your wonderful family. You were a delight to be around and made living here a pleasure. I am missing you so much and I get sad when I pass your room and you are no longer there. I know you are not in any more pain and very happy to be with God and all the rest of your deceased loved ones . That is comforting to me and all that you knew at Brookside. We are praying for you. I love you Pat Sally Schmitt*
